

Fall Product Guide 2026

READY TO **explore**

What is the Fall Product Sale?

The Fall Product Program is a great way for troops to earn funds to support their adventures. Girl Scouts can offer their customers a selection of premium nuts, chocolates, candies, new or renewed magazine subscriptions, Tervis products, personalized products, candles and pet treats and dog toys from BarkBox. Troops can earn up to 17% profit and even an additional \$0.05 per package for the upcoming 2027 cookie sale, while additional funds stay local. Girl Scouts participate in the Fall Product Program by creating their own online shop (M2 Digital Storefront) where they can upload photos and videos, and create their very own custom Avatars.

Online Only Sale

Girl Scouts of Central Maryland's Fall Product Program runs on an online only model. All monies are collected digitally, which means no money collected by troops! Troop's will still need to provide banking details to receive their proceeds, but this allows newer troops more time to get their accounts set up.

Each Girl Scout will send 18+ emails to supporters and share their site through email, text, or social media. Customers will then choose from delicious nut/candy options, magazines & more. All product ordered can be directly shipped. To avoid shipping charges, customers may choose to have the Girl Scout deliver nut/candy products only as magazines and more are only offered as direct ship.
