Living the Legacy

Monday, October 17, 2011 **at the Girl Scouts of Central Maryland Urban Program & STEM Center**

Join us as we celebrate Juliette Gordon Low's legacy and those who continue to embody her vision. We are thrilled to honor **Senator Barbara Mikulski**, longtime Girl Scout, advocate and longest-serving female Senator and the second longest-serving female member in the history of the United States Congress, for her dedication to girls across the United States.

Discover all that Girl Scouts has to offer girls and women in the Girl Scouts of Central Maryland's Urban Program & STEM Center. Sample a few of our innovative programs: science in the kitchen, rubber band powered cars, robotics and express yourself creatively in the groovy dance studio.

Connect with fellow Girl Scouts, community leaders and dignitaries from across Maryland. Meet **Connie Lindsey**, Chair, Board of Directors, Girl Scouts of the USA, who will make history in Maryland by being the first national board chair to visit this Council and share her story and vision for women and girls.
