Girl Scouts Plan to Make Elementary School Green

Baltimore—On September 16 Girl Scout Troop#7407 will begin implementing their plans to help “green Baltimore,” by planting 10-15 trees in front of Westside Elementary School, located at 2235 North Fulton Avenue. The all day school event is part of the Mayor’s Cleaner, Greener, Healthier and Safer Initiative. Troop #7407, a troop of 53 elementary school Girl Scouts, is the mayor’s largest group of Green Ambassadors. In addition to planting trees the Green Ambassadors will also be clearing the school’s Chinese Garden and courtyard in preparation for fall planting. Mayor Dixon is scheduled to be on hand to show support of the girls’ effort and enthusiasm. The planting is scheduled to begin at 9:00 am.
