

Lifetime Membership

Girl Scouts is the preeminent organization dedicated to helping all girls develop the confidence, determination, and skills needed to thrive in today's world. As a lifetime member of Girl Scouts of the USA, you will join a growing number of adults who believe in and support the ideals and principles of Girl Scouting. In partnership with other dedicated adults, you will have the opportunity as a volunteer to assist directly or indirectly in developing qualities that will serve girls throughout their lives and help them realize their full potential. When you become a lifetime member, you show a commitment to all girls—among them, many of the leaders of tomorrow— in our diverse population.
