May 14, 2020

Dear Girl Scout Campers and families,

We hope that this letter finds all of you healthy and enjoying some spring weather! Despite the mix of emotions that everyone is feeling as schools conclude for the 2019-2020 school year, time keeps ticking and we will soon be immersed in the sunny, humid days of summer. Which leads us to consider what summer and camp will look like for our Girl Scouts of Central Maryland campers.

Regretfully, we have made the decision to cancel in-person day and residential camp for the summer of 2020. After much thought, research, and consideration, we ultimately feel that there are too many unknown factors related to ensuring the safety of our campers and staff to move forward with in-person camps this summer. Safety is always our first consideration!

With that said, Girl Scouts have proven time and time again that they are resilient! Taking our cue from some of our members who have thought outside the box to make remarkable contributions to their communities when they are most needed, we are committed to providing a robust virtual summer camp experience this year. Yes, it will be virtual. Yes, it will be different. But we promise to do everything in our power to make it memorable and to capture those special moments that make summer camp an amazing experience.

We hope that you will join us this summer for our virtual camps. We are not quite prepared to release the registration links for those programs, but we will be soon. Until that time, the accounting team will work diligently to refund your summer camp registration fees and the program team will work to orchestrate an amazing virtual summer camp experience.

Stay safe,
